# How to Use Cloud Accounting to Benefit Your Business: I Share My Story, Expertise and Knowlege in a Simple, Straightforward Way. (Paperback)

By K Deere

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Life as a bookkeeper can be considered dull at the best of times, but not so in my experience! I started my career in finance over 30 years ago, working in an accountancy firm, then went into corporate as the finance manager in various roles before I discovered my passion for helping business owners improving their businesses systems, processes and ultimately helping business owners understand their numbers. My diverse background of implementing Microsoft Dynamics in various industry sectors and countries for over 25 plus years, gives me a world of knowledge that can be applied in my Online Business Accounts practice today. Cloud technology is the future and we are just scratching the surface to the doors this can open for all businesses from small to large.My passion is to help the small to medium business owner, understand what is available to them, help them implement their new systems, support them and ultimately offer an ongoing finance and management reporting package to help support them as they focus on what they do best, growing their own business.Cloud accounting will help...
