Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Trapped and tempted, this battle of wills rages all night long. Kady Dresco and Colton Brooks click on a level that defies logic. There are only two problems. One, he s her older brother s irritating best friend, and two, they re bidding on the same military security services contract. When the competition heats up, Colton is torn between wanting to strangle Kady (and her annoying brilliance) and kissing her into submission. Which is a bad idea for a million reasons, because Kady s submission is exactly what he craves. Being trapped in a tiny motel room with the object of his darkest fantasies will require every ounce of his restraint. Kady doesn t want his restraint, but Colton knows better. She deserves love, marriage, and a white picket fence-three things Colton can t give her. But her proximity and the memory of their steamy near-miss three years ago slowly destroys his resolve. And he s not sure how much longer he can keep his hands off.or his heart closed.
