Kensington Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Cross How Stella Got Her Groove Back with Under the Tuscan Sun, and you ve got Gaining Visibility, a novel that is at times beautiful, at times heartbreaking, and ultimately uplifting. Wendy Webb Julia Berkwith s daughter has moved to Alaska, her beloved mother-in-law is in a nursing home, and her ex-husband is in Hawaii with a younger woman. In her late forties, Julia is now used to being invisible. But even if she has to do it alone, she s determined to celebrate her victory over breast cancer by hiking Italy s Cinque Terre. And while she s there, she can scout out treasures for her interior design business back in Kentucky. Invigorated by the beauty of the Italian countryside, Julia seems unstoppable, until she s injured by a rock one that happens to belong to thirty-something stone mason Vitale DeLuca. Reluctantly, Julia accepts Vitale s insistent offer of lodging while she recovers. But in his home, amid his exquisite sculptures, Julia sees beyond his charm and looks to something special: a talent she must bring to the world s attention. And once she does, she plans to step aside to leave him in the spotlight. But Vitale has seen something in Julia too, something she is no longer able to recognize in herself. And he is determined to find a way to show it to her. Poignant and uplifting, Gaining Visibility is an exhilarating story of one woman s realization that even the deepest scars have a beauty of their own and that it s time to take her place in the sun once more.
