OBSCURE COMPOSERS (PAPERBACK)

Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.

Wonderful compilation -- Henry Fogel, Dean, Chicago College of Performing Arts, Roosevelt University; former president, Chicago Symphony Orchestra, American Symphony Orchestra League An enjoyable read, and a great conversation starter. -- James McCarthy, Limelight magazine, Australia . .for those seeking to shake up their listening habits and explore musical rarities -- Opera America I will let you in on a little secret. The classical world is prejudiced. If it s not Bach, Beethoven, Brahms, (or maybe Bartok), some, most? think it s inferior by definition, and not worthy of the attention. I know whereof I speak, everyone of us who prefer classical has some degree of symptoms, even if subclinical. Yes, even your humble author. But after having my mind opened a bit, to the assertion of inferiority, we now must invoke the Zen saying, Not always so. So, to ameliorate the situation, I set off for musical parts unknown, seeking out obscure composers, those rarely or never heard, and lo and behold, got a set of music to enjoy perhaps 10 times larger than before. From some names I had never heard before (Holmboe, Mompou), and some I had but were not familiar with (Diamond). Plus many, many others. I share my findings with you to encourage the shaking off of moribund listening habits, the dross and calcium that impacts one s brain after decades of listening to only the top 50 classical pieces, and refresh and reinvigorate your mind and spirit. You will also learn the answers to the following questions: NAME THAT COMPOSER 1. After his passing, his manuscripts were used to wrap meat and rose bushes. 2. Once famous, he was later forgotten and his tombstone was...
