Excerpt from Some Canadian Questions: Studies in Preparation for the First Canadian National Student Conference, December 28th-January 2nd, 1923 Those of us who have worked together in the Student Christian Movement have great faith in a corporate and fearless search for truth undertaken in all humility and devotion by ordinary people who will dare to act on their discoveries. We believe that the Kingdom of God can only be discovered through such search. We aim in this conference at an examination of phases of Canadian life that we may see where lies their strength and their weakness and may gain more light on how the Spirit of Christ may dominate that life and how Canada may join with other peoples in the universal fellowship of the Kingdom of God. The responsibility for this conference as for all else in the Student Christian Movement rests on the members. Its value will depend on preparation and results.
