Woodworking Business: How to Earn Money With Your Projects Welcome to A Beginner Guide to the Woodworking Business and How to Start Your own, a D.I.Y book designed to let you know what you need, what to build, and where you will likely be able to sell it. In this book, we will go over the most common tools you will need to get started. Then we ll go over the projects that will likely sell the most when you first start out and what will likely continue to sell during your woodworking business career. Lastly, we ll cover the chronological markets you will need to target as you grow your business. First, we go over the types of workbenches you will need to have, both as you start out and ones you will want to have as you progress through your business. Not only do we inform you of the type of benches you need, but...
