Candlewick Press,U.S., United States, 2014. Paperback. Condition: New. Reprint. Language: English . Brand New Book. As football fever hits Goodhue, Iowa, Ned Button steps into the lineup in a funny new adventure about a small-town family living in 1929. Ever since local boy Lester Ward got drafted by the University of Iowa Hawkeyes, Tugs Button s scrawny cousin Ned can think of nothing but football. Sure, Lester s younger bully of a brother is determined to keep Ned and his gang from ever getting near a real pickup game. But Ned has a few things going for him: he can catch and sometimes even throw, much to his surprise. And he s got his eccentric grandpa Ike, who may have less get-up-and-go these days, but no shortage of down-home wisdom to pass along-like that being a football star is less about being big and more about playing as a team and honing your strategy, and that having friends and family in your corner is a bigger prize than a lucky football will ever be. From the author of *The Luck of the Buttons* comes another story about a sometimes hapless, always winning family that scores big points for humor and heart.
