Brand New Book ***** Print on Demand *****.In his song Imagine, John Lennon asked us to consider what this world might be like without religion. But, imagine what could happen if the three monotheistic religions found a way to cooperate with each other, and not compete! In Pope Nobody the Great, retired activists Don and Deb discover that against all odds, they influenced the selection of a new pope. That pope asks their help on a campaign to get the leaders of the three monotheistic religions to work together to stop the madness of so many wars fought in the name of religion. He wants to make religion the answer and not the problem. The mission, which the three of them believe will be a turning point in the history of the world, leads them into dark and troubling experiences they had not anticipated, against forces that resist change at all costs.
