## Duel: Alexander Hamilton, Aaron Burr, And The Future Of America (Paperback)

By Thomas Fleming

INGRAM PUBLISHER SERVICES US, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. All school children know the story of the fatal duel between Hamilton and Burr - but do they really? In this remarkable retelling, Thomas Fleming takes the reader into the post-revolutionary world of 1804, a chaotic and fragile time in the young country as well as a time of tremendous global instability. The success of the French Revolution and the proclamation of Napoleon as First Consul for Life had enormous impact on men like Hamilton and Burr, feeding their own political fantasies at a time of perceived Federal government weakness and corrosion. Their hunger for fame spawned antagonisms that wreaked havoc on themselves and their families and threatened to destabilize the fragile young American republic. From that poisonous brew came the tangle of regret and anger and ambition that drove the two to their murderous confrontation in Weehawken, New Jersey. Readers will find this is popular narrative history at its most authoritative, and authoritative history at its most readable.
