MAKE A FACE (PAPERBACK)

powerHouse Books,U.S., United States, 2017. Paperback. Condition: New. Anya Kuvarzina (illustrator). Language: English . Brand New Book. Make a Face is an interactive, concept driven-picture book that shows how different facial expressions connect with different emotions by pairing them with corresponding animals who come to life as children make different faces on cue. Can you make a face as happy as a dancing hippo or as silly as a gaping fish? In this riotous, joyful, interactive picture book, emotions and moods are paired with corresponding animals that come to life as the young reader performs prompts given by the narrator. Making a playful face sends dolphins leaping from the water, and a frightening face reveals a great big elephant that s terrified of a little mouse. While learning how different facial expressions connect with different feelings and concepts, young readers will be enchanted by how their participation creates magic at the turn of every page. Stretch those faces, and prepare to use your imagination, because some of them will be challenging, as will getting through the book without dissolving into giggles.
