By Vaughn Kohler

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If someone needed a spiritual renewal, he should avail himself of the traditional resources; prayer, Bible reading, attending a church service, that sort of thing. If you couldn t discover the Lord in your own hometown, what made you think he would reveal himself more fully, simply because you had hopped a plane to France or hiked to a Catholic Church in Spain? No. While I thought taking a trip might improve my physical and emotional health, I scorned the idea that it could lead a soul closer to God. That is, until-as an embittered Christian and burned out pastor-I found myself with no other option than just getting away. -from Pilgrim on the Sound.
