DJANGO UNLEASHED

Pearson Education (US). Paperback. Book Condition: new. BRAND NEW, Django Unleashed, Andrew Pinkham, Django is an amazingly powerful system for deploying websites and managing content of all kinds. But programming Django hasn't always been easy-until now. Django Unleashed is your step-by-step, beginner-friendly guide to leveraging Django's core capabilities and its powerful contributed library. You'll learn the most effective way possible: hands-on, by building a fully functional, hosted Django website from scratch. As you build your site, expert Django consultant and trainer Andrew Pinkham reveals how Django works, how to write Python code that leverages its immense capabilities, and how to apply powerful web patterns to build solutions that are robust, reliable, and secure. You'll start simply, and learn to solve increasingly challenging problems: mastering new features and understanding how Django's architecture shapes their behavior; and gaining essential knowledge for working with any web framework, not just Django. Drawing on his extensive experience teaching Django, Pinkham answers the key questions beginners ask most often. As you gain experience, you'll learn advanced techniques for enhancing site functionality and performance, strengthening security, promoting code reuse, and much more. DETAILED INFORMATION ON HOW TO:* Quickly start a new Django project, and establish a strong foundation for a growing site* Define how your data is organized, and create an SQLite database to manage it* Quickly produce flexible HTML with Django templates* Understand the Model-View-Controller (MVC) pattern* Create pages with controllers and Django Flatpages* Link pages by integrating models, templates, views, and URL configurations* Enable efficient, reliable data input with Django Forms and custom form validations* Build custom template filters and tags* Dive into Django source code to troubleshoot problems* Extend site functionality with Django's contributed library* Use pagination to provide sophisticated navigation* Integrate sitemaps and RSS or Atom feeds* Master powerful strategies to minimize original...
