Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 72 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. Make a knights tunic and swear fealty to your lord. Adorn your castle with the code of chivalry and develop your own family code. Read about the Peasants revolt from The Chronicles of Froissart, a medieval source. Revel in some German food like Bavarian pretzels and Black Forest cake. Build muscle models and color diagrams of skin. Make model blood and find out how long your blood vessels really are. Dissect a sheep pluck and make a model lung and diaphragm. And do real fresco painting while learning about medieval artists like Giotto. These activities plus dozens more are in Layers of Learning Unit 2-8. In each Layers of Learning homeschool curriculum unit you'll find a recommended library list, important background information about each topic, lots of activities to choose from for kids of all ages, and sidebars with a bunch more ideas including Additional Layers, Fabulous Facts, On The Web, Writers Workshop, Famous Folks, and Teaching Tips. Printable maps and worksheets are included at the end of each unit and may be printed as often as needed for your family...

Reviews

This ebook is very gripping and exciting. It is one of the most amazing book we have study. Its been printed in an remarkably easy way and it is only after i finished reading this book through which really transformed me, affect the way i think.

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
