Forgotten Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Techniques of Applied Mathematics, Ordinary Differential Equations and Green s Functions This report continues the investigation of Research Report No. EM - h? On the applications of recently developed mathematical techniques. The aim here is to present the theory of Green s functions for ordinary differential equations and for systems of ordinary differential equations. This theory can be used to obtain the Spectral representation of ordinary differential equations and to solve partial differential equations.
