Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Universal Electrical Communications Union: Draft of Convention and Regulations The following resolution was adopted at Paris by the five Principal Allied and Associated Powers: The Principal Allied and Associated Powers shall, as soon as possible, arrange for the convoking of an International Congress to consider all international aspects of communication by land telegraphs, cables, or wireless telegraphy, and to make recommendations to the Principal Allied and Associated Powers with a view to providing the entire world with adequate facilities of this nature on a fair and equitable basis. A Conference, preliminary to such an International Conference, and composed of representatives of the Principal Allied and Associated Powers, convened at Washington on the 8th of October, 1920. Among the subjects which it considered in connection with the forgoing Resolution was a proposal for the amalgamation of the Telegraph and Radiotelegraph Conventions and Regulations. This proposal was put forward with the object of simplifying communications by bringing all methods of electrical transmission as far as practicable under the same rules. The Preliminary Conference considered it desirable that...
