Reviews

Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication I have got read through in my very own lifestyle and might be the greatest book for possibly.

Penguin Putnam Inc, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A rare book. An ancient code. A new trilogy that starts off with promise (Pittsburgh Post-Gazette) from the New York Times bestselling master of passion and the paranormal. Within the pages of very rare books some centuries old lie the secrets of the paranormal. Abby Radwell s unusual psychic talent has made her an expert in such volumes--and has sometimes taken her into dangerous territory. After a deadly incident in the private library of an obsessive collector, Abby receives a blackmail threat, and rumors swirl that an old alchemical text known as The Keyhas reappeared on the black market. Convinced that she needs an investigator who can also play bodyguard, she hires Sam Coppersmith, a specialist in paranormal crystals and amber-- hot rocks. Passion flares immediately between them, but neither entirely trusts the other. When it comes to dealing with a killer who has paranormal abilities, and a blackmailer who will stop at nothing to obtain an ancient alchemical code, no one is safe.
