Glen Canyon Dammed: Inventing Lake Powell and the Canyon Country (Paperback)

By Jared Farmer

University of Arizona Press, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. Growth is a major issue in the contemporary American West, especially as more and more towns and states turn to tourism to spark their economies. But growth has a flip side loss about which we seldom think until something is irrevocably gone. Where once was Glen Canyon, with its maze of side-canyons leading to the Colorado River, now is Lake Powell, second largest reservoir in America, attracting some three million visitors a year. Many who come here think they have found paradise, and for good reason: it s beautiful. However, the loss of Glen Canyon was monumental to many, a notorious event that remains unresolved. Focusing on the saddening, maddening example of Glen Canyon, Jared Farmer traces the history of exploration and development in the Four Corners region, discusses the role of tourism in changing the face of the West, and shows how the invention of Lake Powell has served multiple needs. He also seeks to identify the point at which change becomes loss: How do people deal with losing places they love? How are we to remember or restore lost places? By presenting...
