Reviews

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Genoveva Langworth)

LOVE COM, VOL. 12 (PAPERBACK)

Viz Media, United States, 2009. Paperback. Condition: New. Aya Nakahara (illustrator). Language: English . Brand New Book. R to L (Japanese Style) Risa Koizumi is the tallest girl in class, and the last thing she wants is the humiliation of standing next to Atsushi Otani, the shortest guy. Fate and the whole school have other ideas, and the two find themselves cast as the unwilling stars of a bizarre romantic comedy duo. Risa and Otani's relationship finally seems to be going right, just in time for college woes to ruin their lives! Risa only has a few months to decide which tech school she wants to attend, but she can't even decide what she wants to study. What kind of degree can you get for playing video games and listening to Umibozu all day?.
