To me, sorry should have been reserved for something that was done accidentally, in an instant. I m sorry I hit you in the face with a foul ball. I m sorry I broke your expensive vase. I m sorry my fart smells so bad.I would have held it in if I d known. Apologizing for something that could have been undone a million times seemed empty. Aiden Scarpetti. Aiden Scarpetti is a fifteen-year old whose world gets turned upside down, causing him to question everything, including his desire to keep living. He eventually finds solace in the strangest of places, inspired by someone he never would have expected.
