This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE SEVENTH DAY OF CHRISTMAS: A STORY OF THE END TIMES (PAPERBACK)

iUniverse, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Josh Ragizzo and his family are being hunted, having been accused of terrorism and heresy. The religious government known as Babylon has risen to power across the entire planet, and all the nations of the world have sworn allegiance to it. Strict economic restrictions and death decrees have been issued against those who choose not to conform to the worship practices of Babylon. The Ragizzos, because of their knowledge of God as revealed in the pages of Scripture, have refused to participate in the mandated false worship, and are now in hiding in fear of their lives on a daily basis. The very end times described in the prophetic writings of the Bible are upon the earth. Join the family for a story of survival and adventure as they live through the last Christmas the world will ever see. As they strive to endure in and make sense of a world which has turned upside-down, you might just come to see our world in a different light, and see more clearly the mysteries of God.
