

1065 October Snows (Paperback)

By Meg Woodward

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In 1065 a freak snowstorm comes early, blocking the passes through which a group of Flemings, led by the Count of Aucun, has ridden from the east into a valley in central Scotland. The count intends to offer the return of the clan chief s two sons, captured while fighting, for a ransom. Since the clan uses barter and has no coinage, a face-saving solution is for the count to accept their clever younger sister, thirteen year old Ailie, as his bride; but she is also being courted by an Islesman, Kenneth, who is intent on gaining control of the lucrative trade route which passes through the valley. When he also arrives from the west, flanked by two equally ambitious brothers, and possibly with a small army hidden nearby, danger threatens them all. Ailie and the other children in the village play a complicated game to protect the Flemings from the Islanders rage until the snows melt enough to allow them to escape. The period is one of turmoil not only in Scotland but also in England, which will...
