AUTHORHOUSE, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The wisdom of God's Word speaks for itself in 24 major life-topics, each with related Scriptures grouped together into a simple, easy-to-read, condensed format. Gathered from various books of the Bible, the life-topics explain God's principles for the most important subjects pertaining to life and death on planet earth--principles given only by God in the best interests of his creation. They are able to edify and enlighten, and will establish a strong self-identity and sense of purpose for anybody who learns from them. Readers will quickly understand the highlights of God's work throughout history to reconcile the human race back to himself, including the central focus of the Bible: the grace and peace offered to all people through the life, death, and resurrection of Jesus Christ. It is truly sad and regretful that most people are not taught these basic truths prior to adulthood, saving millions of us from countless years or whole lifetimes mainly in pursuit of what is temporary; what will pass away. But, young or old, now is surely a better time to start than never. So, for anyone interested in gaining an inner spirit of peace and fulfillment, let the light from these pages shine into your heart. Everything needed to be accepted and personally known by God himself is included.
