Between work, school, taking care of the kids, doing laundry, agonizing over bills, finding time between episodes on Netflix, there are only so many hours in the day! We all love reading stories, but 500-1,000 page novels require a huge investment of time. That's where Bite-Size Books come in. Bite-Size Books are collections of short stories that can be devoured quickly, in small chunks of time. These stories are the perfect length to read during the morning commute, over a lunch break, on the toilet, or right before bed.
