Because: - You are overwhelmed by frequent bouts of sadness. - You have a general hopeless outlook through life. - Your get limited amount of joy from things most people enjoy. - You experience regular non-physical exhaustion and fatigue. - You feel completely isolated and alone from the world and other people. Depression isn t easy to deal with and affects roughly 7 of adults in the US-about 15 million people. The psychological nature of it makes it an ailment which is seldom treated and discussed; many don t have the means or the desire to seek professional assistance for depression. For as frustrating and terrible as depression is, the reality is that you are probably one of the many sufferers who don t seek treatment-out of fear of embarrassment, financial concern, or some other reason(s). Whatever the delay may be, nobody deserves to live with depression. A minor hint of the disorder is enough to last you...
