*A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.

CHAOS

iUniverse, United States, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the deepest recesses of the human mind, to the brightest centre of the cosmos. From the dark despair of yesterday, to a shining hope for tomorrow. From the strength of a helping hand, to the weakness of a broken heart. From the bondage of life, to the freedom in death. A hundred possible questions; a thousand probable answers. The poetry of Chaos touches upon a myriad of topics, from the turbulence of internal emotions, to the expression of external events, to an imagination of possibilities that could be. This is a journey: a journey of emotions set free. This is a world: a world of questions let loose. This is art: art that is a reflection of life. This is life: life that is an imitation of art. This is love, this is loneliness. This is prosperity, this is futility. This is Chaos.
