My Book of Animals: A Walk Through the National Parks

By Denis Pero

Auzou. Hardcover. Book Condition: New. Hardcover. 96 pages. Dimensions: 11.5in. x 10.0in. x 0.5in. My Book of Animals is a special book that presents all the wide variety of animals living on the North American continent. Visiting some of the continent's greatest national parks, children will travel while learning! Featuring full-color photography on every page, My Book of Animals: A Walk Through the National Parks teaches young readers about the amazing creatures that live in North American national parks. More than 70 animals are profiled; each has its own page filled with brief, fascinating facts and a captivating photo. What are baby wolves like? The Gray Wolves cubs are blind at birth and do not stand up until they are at least ten days old. Play and learn quizzes and a handful of simple games at the back of the book encourage little ones to test their knowledge. My Book of Animals makes a great gift for young animal lovers! --Midwest Book Review This unique look at animals groups them by species or habitat and links them to a national park. Browsers and beginning researchers alike will enjoy the format. --School Library Journal This item ships from multiple locations. Your book may arrive from...

It is one of the most popular books. I am quite late in starting reading this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
