Life in a downward spiral can keep you stuck or you can choose to let it bring you to a place of stillness. Spiritual teacher Jiulio Consiglio offers his own path of personal suffering that led him to make the quantum leap into the vastness of stillness and discover The Healing Frequency.The next evolutionary step in spiritual teachings. What the book offers: \* A demonstration of the wisdom, power and clarity of consciousness. \* The transformative potential of inner stillness in its truest form. \* The power of consciousness and the potential to transform and heal through awakening. \* The strength of the human spirit and the potential within to heal and transcend. \* A powerful spiritual guide that shows you how to reach for your highest potential. The Healing Frequency is a compelling and much needed book that every spiritual seeker should include in their personal library. The Healing Frequency is an inspiring demonstration of how one can make the shift from the unconscious to conscious, from darkness to light, with personal examples of the power of the Mind to make this important shift in service to healing and spiritual growth. We highly recommend this book to any spiritual seeker on the path to spiritual awakening. -Gary R. Renard, best-selling author of The Disappearance of the Universe, and Cindy Lora-Renard, MA in Spiritual Psychology.
