

A Short History of the Mughal Empire

By Michael Fisher

I.B.Tauris & Co Ltd. Paperback. Book Condition: new. BRAND NEW, A Short History of the Mughal Empire, Michael Fisher, The Mughal Empire dominated India politically, culturally, socially, economically and environmentally, from its foundation by Babur, a Central Asian adventurer, in 1526 to the final trial and exile of the last emperor Bahadur Shah Zafar at the hands of the British in 1858. Throughout the empire's three centuries of rise, preeminence and decline, it remained a dynamic and complex entity within and against which diverse peoples and interests conflicted. The empire's significance continues to be controversial among scholars and politicians with fresh and exciting new insights, theories and interpretations being put forward in recent years. This book engages students and general readers with a clear, lively and informed narrative of the core political events, the struggles and interactions of key individuals, groups and cultures, and of the contending historiographical arguments surrounding the Mughal Empire.

Reviews

An extremely wonderful book with perfect and lucid information. This can be for all those who statte there had not been a really worth reading through. Its been written in an exceptionally easy way and it is only after i finished reading this ebook in which actually modified me, alter the way i really believe.

-- **Kaelyn Reichel**

Thorough guide for ebook lovers. I am quite late in start reading this one, but better then never. Its been designed in an remarkably straightforward way which is simply soon after i finished reading this publication in which actually altered me, affect the way i think.
