Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. While this workbook was designed as an interactive tool that we use in our live -Birthing the Fire- weekend workshops and retreats, you can still get amazing results going through it alone. This book will help you dig deeper into finding the answers to those hard questions that so many of us have asked ourselves from time to time. -What is my purpose., what am I supposed to be doing with my life., why do I feel stuck. where do I go from here?- DISCOVER: Why you still have that feeling deep down in your gut that something is still missing when it comes to fulfilling your purpose. and what to do about it. Have you ever wondered why in the world you were put here on this earth? You have a calling and a purpose to fulfill, but you lack clarity of what it is or what actual steps to take to get you there, then this may be the most important book you will ever read. Believe it or not, it doesn't matter where you are right now in life. The information in this book will help you discover where you need to be. Also, discover. -Why the things you dreamed about as a child are still in your thoughts today. -Why you may not have the confidence to step out and do what you feel deep in your gut. -The benefits that come to you and others when you are willing to share your personal story. -Why being authentic and uniquely you is so important and preferred over trying to be just like everyone else. -Why you should ignore all of the -noise- that s...
