MONSTERS AMONG US (PAPERBACK)

Clean Teen Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. What if the fate of the world lies with the monster--not the hero? The world is shifting, and Sammy has complete control. But as hidden truths surface, she starts to doubt everyone who is close to her. The Ancients and Kory have been harboring dark secrets, and it could mean war between the Dragon Fae and the Irukans. With the Defenders as her devoted soldiers, Sam must make some difficult decisions. Should she save the world. or save herself? Blake won't give up on Sam. He knows he can't trust Tonbo anymore, or the web of lies he's been thrown into. If he hopes to save Sam, he must find the real reason Kory created the bug army. Turns out there could be something far worse than bloodthirsty bugs buried on the islands, and Blake will have to fight his own inner demons if he wants to save those he loves--including Sam. In a world filled with mistrust and lies, Blake and Sam must unearth the truth and face their own fears and weaknesses. If they don't, their lives--and the fate of all humanity--will hang in the balance.
