Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My name is RA Meyer. I am presenting a series of battles that are transpiring between the reigning champion Collectivism and its challenger Individualism. We find ourselves on the home field of Collectivism, reigning champion of earthly affairs. Its members have seized control of all the governments on earth, and taken charge of organized religion. Many of the biggest corporations on earth are under their command. This extremely small, but powerful minority placed banking and finance in their hip pocket with the creation of fractional reserve banking and fiat money. The establishment media surrendered to them long ago, becoming effective soldiers of lies, half-truths and vicious propaganda. We are well into the year 2017. Despite the fact that Republicans took control of the Senate in 2014, freedom-loving individuals appear to be surrounded on all sides by the enemies of personal liberty and economic freedom. We know these antagonists as soldiers of Collectivism. Economic decline disguised as an economic recovery, terrorism, international conflict and war spells the news of the day. Governments respond by resorting to the same poison that caused the problems in the first place. And what is incredible is that despite some discontentment, the masses cry out for more, just as a drug addict craves more dope. Tragically, that's the way of the Hive Mind Mentality. Do you remember hearing advocates of the New Age Movement claiming we have entered the Age of Aquarius, a period of spiritual enlightenment and economic prosperity. If this is true, where in the heck is it? An objective view of the situation tells a reasoning individual that we're slipping and sliding down the road to ruin. Is it possible that out of the ashes of bad...
