This family of four astronauts also includes fourteen-year old twin sons who want, like their older sister and mom, to take the latest space shuttle for a ride to rescue the space program. When some characters even think of selling defective parts to cut costs, the twins are on their tail. Its Patches, the Ragdoll-Siamese kitten, formerly a library cat, teaches new ways to rescue the space program and themselves just by being what he isa five-month old tomcat adopted by the space program as their mascot. Patches has more than nine lives. He has been around almost forever but poses as a five-month old kitten. He knows the secret of eternal youth. When the twins mom gets a dose of that youth serum and becomes thirteen again, whos going to fly the shuttle but the twins Leave it up to the twins to start the Intergalactic Friendship Club, find a dad for their space physician pilot mom and their astronaut sister, restore mom to a grownup state, and bring together some new friends that they have made from...

Reviews

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication I have gone through. I realized this ebook from my mom and dad suggested this publication to learn.

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
