

Keys to Conscious Business Growth (Paperback)

By Sue Urda

Powerful You!, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you want to grow in business you have to grow yourself. Business and personal success is an inside job that manifests in the outer world. The authors of this book provide the insider information you need to adjust your mindset, shift your focus, and stay on track for the success you desire and deserve. Businesses and entrepreneurs come and go over the years. The ones with real staying-power are built on a strong foundation of conscious values and authenticity. As a conscious business person, you know when you ve strayed from your values or if you re acting in alignment with your higher purpose-and you ve surely found out that the latter is the only way for a business to truly grow. Conscious business people come alive when they are passionate about their work, their products and their clients. They love making a difference in the lives of others and when this happens their work feels like play. Business doesn t have to be a tough and unpleasant chore; instead it can be fulfilling, fun, prosperous and even life-changing. No matter what...
