Lulu.com, United States, 2016. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is the weapon for the best offense in the league. You want to coach, but only know the football of your youth - the Power I run it up the middle, three yards and a cloud of dust. Now you finally have the tools to implement a simple, but highly effective, and young player oriented, Hurry-Up-No-Huddle Spread Offense. Combining elements of the Wing-T with a shotgun no huddle scheme, this highly-effective system was developed specifically for the volunteer coach of a youth football team (ages 8 to 14). The coach speak has been removed and football concepts simplified in this easy to read book. You ll soon be putting up points and the kids will be having fun running plays that look similar to what higher-level football teams execute. Be ready to be an inspiration!.
