ZONDERVAN, United States, 2014. DVD video. Condition: New. Language: English . Brand New Book. In this five-session video-based Bible study (guide sold separately), bestselling author and pastor Bill Hybels challenges you to make doing life together a priority, exploring from the book of Proverbs how experiencing community and growing in wisdom are inseparably linked and offering practical direction on how to experience this with others. All of us want to get better at life. Getting wiser alone, however, is not the way it works. God didn't wire us to catch onto wise and godly living through lone-ranger attempts at learning; it's something that rubs off on us when we spend time with others who have the wisdom of God living inside of them. As the proverb says, Iron sharpens iron as one person sharpens another. This study is designed with both new and experienced group leaders in mind. For new leaders, it includes optional weekly DVD training sessions (DVD sold separately) to help them lead a fantastic, first-time small group experience. For experienced leaders, it includes a Going Deeper section for those ready to take this content to the next level. Sessions include: Walking with the Wise (16:00) The Counsel of Community (18:00) Iron Sharpens Iron (14:00) The Heart of Community (13:00) Faith and Friendship (15:00) Designed for use with the Wiser Together Study Guide 9780310820109 (sold separately).
