## THE FITZGERALD RUSE: A SAM BLACKMAN MYSTERY (HARDBACK)

Poisoned Pen Press, United States, 2009. Hardback. Book Condition: New. 218 x 145 mm. Language: English . Brand New Book. Former Chief Warrant Officer Sam Blackman lost a leg in Iraq and emerged from the V.A. hospital in Asheville, NC, as a bitter civilian without a job or a future. But when he solved a series of local murders, Sam not only brought the guilty to justice but found meaning for his life. Now he and his partner, Nakayla Robertson, are opening a detective agency. They have high hopes that the thriving mountain region will provide a steady stream of cases. Their first client, a quirky elderly woman in a retirement community, makes a strange request. She wants Sam to right a wrong she committed more than 70 years ago. Her victim was F. Scott Fitzgerald. Her crime was stealing a manuscript. Sam's task seems simple enough: retrieve the woman's lockbox and deliver the manuscript to Fitzgerald's heirs. But nothing is simple for Sam. The lockbox is sealed with a swastika, a symbol his client insists predates the Nazis and reflects a scene from *The Great Gatsby*. Then a security guard is killed and the lockbox disappears. Not only has this investigation triggered a murder, but Sam's final military case has followed him from Iraq and neither he nor anyone close to him is safe. Are the mysteries connected? Or is one a ruse luring him into the crosshairs of his enemies?.
