

Pepys And His Contemporaries (Paperback)

Filesize: 3.31 MB

Reviews

This book will be worth getting. Better then never, though i am quite late in start reading this one. Its been written in an extremely basic way which is only right after i finished reading this book through which actually altered me, alter the way i believe.
(Mr. Enrico Lesch)

National Portrait Gallery Publications, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Samuel Pepys s Diary stands with Shakespeare and the King James Bible as an indisputable treasure of English literature. As a picture of England, and especially of London, in the age of King Charles II, of Wren and Newton and Nell Gwyn, of the Plague and the Great Fire, it is a rare and honest report that charts the key events of the day. In this book, Richard Ollard introduces the man himself, his friends and acquaintances - including Edward Montagu, 1st Earl of Sandwich, Charles II and John Evelyn - who Pepys wrote about with such humour and abandon. Illustrated with painted portraits, busts, engravings, and an extract from the Diary in Pepys s original shorthand, this is a highly visual book that charts those men and women who surrounded Pepys.
