

Chemical and Microscopical Diagnosis (Classic Reprint) (Paperback)

By Francis Carter Wood

Forgotten Books, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Chemical and Microscopical Diagnosis It is not necessary in the present state of medical knowledge to call attention to the importance of the results obtained by the microscopical and chemical examination of the blood and the secretions and excretions of the body, as an aid to diagnosis, for the physician is not as yet sufficiently equipped with diagnostic methods to be able to neglect the study of any phenomena which may lead to a knowledge of disease. The facts obtained in the laboratory may occasionally be of more value than those secured by the physical examination of the patient; they more often possess a corroborative force ranking with the observations procured by the stethoscope and eye; occasionally they have merely a scientific worth and are relatively unimportant from a point of view of an immediate diagnosis. In this volume, which represents the author's experience in hospital work and teaching of clinical pathology, the attempt is made to indicate not only the proper technique of the methods of laboratory diagnosis, but also to emphasize the relative value of the procedures and...
