Modelagem E Simulacao Com Simio: Livro Pratico: Segundo Edicao (Paperback)

By Jeffrey Allen Joines, Stephen Dean Roberts, Marcelo Moretti Fioroni

Createspace, United States, 2012. Paperback. Condition: New. Language: Portuguese . Brand New Book ***** Print on Demand *****.This book is different than most. First, it's written in what might be called a participatory style. You don't sit and read the book without a computer loaded with SIMIO. This book expects your active participation in using SIMIO as you turn the pages. We try to carry on a conversation with you. Our belief is that simulation is not a spectator sport. You have to practice to gain skill with it and you develop that skill through modeling practice. This book encourages you to practice and use your skill. Secondly, this book is focused on simulation modeling with SIMIO and most of the statistical analysis and analytical issues are left as topics to be explored elsewhere. Now it's not that we don't think these are important, because they are vital (and when we teach simulation, they are a fundamental part of the course). But we aren't going to spend much time on these topics here, since there are excellent simulation books that can fill our omission. Our intent is that you become an active learner and, as...
