

## We Never Learned This in Class!: The Reality of Life After College (Paperback)

By Stefana M Albu

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Twenty-somethings are facing more challenges than ever. Job, house, family: it can feel like a checklist of requirements for an amped-up version of graduation. Can a person really have it all, and is age thirty still the deadline for getting it all done? Balancing budgets with an entry level salary is a challenge, but also simultaneously balancing relationships can seem like an uphill battle. Accustomed to perpetual praise, today's twenty-somethings now face a job market that doesn't bode well for them. If I actually was a standout, shouldn't I have snatched up my dream job by now? Or any job for that matter? Then there's the relentless talk of decreased affordability of education as compared to previous generations. They worked hard, got the degree, and landed the job-but it's just not that conventional anymore. Psychologists are rethinking the accepted stages of development, revising them to include this new phase of emerging adulthood. Is emerging adulthood an extension of self-exploration? Are millennials actually choosing to take longer growing up or are they facing indomitable challenges? By virtue of dynamic change...

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).*
