

Antisemitism: A Very Short Introduction (2nd Revised edition)

Filesize: 6.02 MB

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Ms. Fatima Erdman)

ANTISEMITISM: A VERY SHORT INTRODUCTION (2ND REVISED EDITION)

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Antisemitism: A Very Short Introduction (2nd Revised edition), Steven Beller, Antisemitism, as hatred of Jews and Judaism, has been a central problem of Western civilization for millennia, and its history continues to invite debate. This Very Short Introduction untangles the history of the phenomenon, from ancient religious conflict to 'new' antisemitism in the 21st century. Steven Beller reveals how Antisemitism grew as a political and ideological movement in the 19th century, how it reached its dark apogee in the worst genocide in modern history - the Holocaust - and how Antisemitism still persists around the world today. In the new edition of this thought-provoking Very Short Introduction, Beller brings his examination of this complex and still controversial issue up to date with a discussion of Antisemitism in light of the 2008 financial crash, the Arab Spring, and the on-going crisis between Israel and Palestine. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
