

Death of Outrage: Bill Clinton and the Assault on American Ideals

By -

Hardcover. Condition: New. Ships From Canada. New in new dust jacket. Sewn binding. Cloth over boards. With dust jacket. 160 p. Audience: General/trade. Book Description In this new, updated edition of a book heralded as a clarion call to the nation's conscience, William Bennett asks why we see so little public outrage in the face of the evidence of deep corruption within Bill Clinton's administration. The Death of Outrage examines the Monica Lewinsky scandal as it unfolded, from Clinton's denials that he had had sex with a young White House intern, to his testimony before the grand jury, to the nation's decision not to remove Clinton from office. Brick by brick, Bennett dismantles the wall of defenses offered by Clinton and his apologists, and casts the clear light of moral reason and common sense on a shameful chapter in American history. Ingram The nation's best-known--and bestselling--conservative thinker attacks the complacency with which Americans have accepted the corrupt and corrupting arguments offered.

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
