Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Born into a life of luxury, Brett Stevens has never wanted for anything. The blue-eyed, drop-dead gorgeous son of an oil tycoon knows how to get what he wants and isn't the type of man who takes no for an answer. Assuming control of the London office of Stevens Inc. is the first step in his plan to take over the family dynasty one day. Highly regarded by his associates, Brett's new role as CEO fits him well. Accustomed to random women throwing themselves at him, he's a bit mystified when his new assistant all but ignores him. Sophie Graham-a diminutive, sensuous, unwanted distraction-has managed to get completely under his skin. Sophie may be petite, but she's headstrong and determined to escape the memories of an overbearing, abusive father once and for all. The last thing she wants is to share an office with an arrogant boss who questions her every move. It isn't long before her frustrating preoccupation with the tall, charming Brett starts to interfere with her work. Will Sophie and Brett finally make their relationship official, or will destiny keep them apart forever? Read Taming the Oil Billionaire, Box Set, the complete installment in author Sandy Anton's contemporary romance anthology.
