Ballantine Books, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "A hilarious send-up of vampire novels, the Austen industry, and one immortal author's complete inability to find a publisher-Jane would have loved it!"-Stephanie Barron, author of the Jane Austen mysteries "It's impossible not to love Ford's sharp-witted, sharp-fanged Jane Austen (and I'm not just saying that because she spares my life in Chapter Six)."-Seth Grahame-Smith, author of *Pride and Prejudice and Zombies* "Fang-tastic Ford's Jane is a very fun and funny heroine to root for as she endures the indignities of publishing and bookselling, fends off danger and (perhaps) finds love. Her hilarious smack downs with Violet hint of more madness to come in this first of a series."- Publishers Weekly "Ford approvingly cites Seth Grahame-Smith's *Pride and Prejudice and Zombies*, but his own mashup is better integrated, more knowledgeable about Austen and considerably funnier."- Kirkus Reviews "In this clever paranormal tale Ford has created warm, witty characters that will appeal to both Janeites and vampire fanciers. Literary humor and intriguing snippets from Jane's book are the icing on the cake. Two more books are promised in this series, so readers who fall under Jane's spell will be eagerly awaiting her next adventure."- Library Journal "Michael Thomas Ford has struck gold.The plot is inventive and funny, and the story progresses with the kind of light touch that compares favorably to theStephanie Meyer *Twilight* series. Ford manages to strike just the right toneand consistently delights."- Bay Area Reporter "Few authors can deliver [Austen's] dry, deft and wickedly funny style. Michael Thomas Ford is one of them.Light, campy and a bit Buffyish.The literary and historical references really shine."- Austenprose "Ford gives us an authentic, sympathetic and witty Jane Austen as a modern-day vampire.An inventive mashup..."
