An illustrated Owner s Workshop Manual covering Pre-War BSA Single and Twin-Cylinder SV and OHV Motorcycles. This is a faithful reproduction of the Floyd Clymer (W.C. Haycraft) Book Of The BSA originally published in the US in 1947. Much more detailed than the owner s handbook, this manual includes complete technical data, service and maintenance information and detailed instructions for the repair and overhaul of the major mechanical and electrical components for the majority of the pre-war BSA single and twin cylinder motorcycles. OHV and SV Models covered by this publication are: 150c.c. - X0. 250c.c. - B1, B2, B18, B20, B21,...
