A DIABOLICAL SATELLITE SPIN Charles Stone, Boston investigative lawyer and sculptor, takes on the case of a personal friend and recent widow. She's battling an unscrupulous business partner and is desperately trying to save the company, Unitreq from financial collapse. Stone becomes involved in military industrial espionage, several murders and a bounty hunt that takes him and his sidekick Army Special Forces Sergeant, Bo Jackson, on a chase through the Maritime Provinces of Canada, as well as Ireland and Europe. Stone receives much needed assistance from his law partners and Franklin Life Insurance Company's security team, a little known Department of Defense agency known as DARPA, WikiLeaks.org and Interpol. The use of combined forces helps bring an end to several diabolical plots.
