ASPIRATION HIGHWAY: THE COLLECTIVE WORK OF THREE POETS (PAPERBACK)

iUniverse, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Aspiration Highway represents an ambitious path for success. Three authors take their interpretations from life occurrences and present them as a poetical story. Poetry is combined to flow as life flows. It starts with time and the need to make the most of it. Encouraging people to stop and take notice of the beauty that surrounds them, discovering who they are, connecting with memories, and finding humor in day to day living. This story embarks on finding our soul mate, falling in love, breaking up, proposing, growing old together, and eventually losing someone close to us. With each journey there are paths to choose and dreams to fulfill. Whether a person walks, runs, or drives to the end is inconsequential. Keep moving forward and don't lose sight of the destination. Embrace the ups and downs we each experience and seek a positive solution. Poetry is more than just a feeling; it is a story and a vision. Our vision is to inspire others to take the positive road known as, Aspiration Highway.
