Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The unique characteristics of animals is a miscellany of facts, genuine or supposed, gleamed from earlier and contemporary Greek writers (No Latin writer is once named) and to a limited extent from his own observation to illustrate the habits of the animal world. We are of course prepared to encounter much that modern science rejects, but the general tone with its search after the picturesque, the startling, even the miraculous, would justify us in ranking Aelian with the paradoxical, rather than with the sober exponents of natural history. Mythology, mariners yarns, vulgar superstitions, the ascertained facts of nature-all serve to adorn a tale and, on occasion, to point a moral. His religion is the popular stoicism of the age. Aelian repeatedly affirms his belief in the gods and in divine providence; the wisdom and beneficence of Nature are held up to veneration; the folly and selfishness of man are contrasted with the untaught virtues of the animal world. Some animals, to be sure, have their failings, but he chooses rather to dwell upon their good qualities, devotion, courage, self-sacrifice, gratitude. Again, animals are guided by reason, and from them we may learn contentment, control of the passions, and calm in the face of death. His primary object is to entertain and while so doing to convey instruction in the most agreeable form. Some might find fault with his random and piece-meal handling of his theme-of which he is well aware, and he defends himself with the plea that a frequent change of topic helps to maintain the reader s interest and saves him from boredom. As to the permanent value of his work he has no misgivings and since...
