Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.JC Weatherby, author of OUTLAND HOTEL, takes you on a chaotic ride into a sprawling dystopian vision of the future. LOS ANGELES 2035 Reg, a surgeon and one-time husband forced into a life of crime as an organ thief, and Nina, a young fiery-tongued refugee who makes her living as a dominatrix, struggle to survive in the inhuman ghettos of Los Angeles and in virtual worlds where outcasts seek refuge. Their world has become an overpopulated nightmare governed by draconian laws, where billions live in refugee camps desperate to compete with high technology which has taken away their jobs and livelihoods, and where forced abortions and sterilizations are the norm. Unknown to them, a ruthless technology mogul-turned-super artificial intelligence, named Quin, works for a transnational government conspiracy - Operation Black Delta - whose plan is to wipe out half the world's population, and jumpstart the next phase of human evolution with artificially engineered DNA for a race of people so advanced they will make the rest of us obsolete. After a vicious attack by Kiko, a Korean cybernetic mafioso controlled by Quin, Nina becomes one of 1,000 young women impregnated with this new genetic code. But she is the only one to survive. Hired by Quin under false pretenses, Reg tracks Nina down in the sprawling ghetto of Angel City, unaware of the revolutionary secret growing in her womb and the deadly plot which threatens them and the rest of humanity. Book Categories: science fiction science fiction adventure science fiction adventure books dystopian fiction dystopian fiction adult cyberpunk cyberpunk fiction Who you think you are won't survive. Who you really are, can't not survive. Deep...
