Reviews

It is one of my personal favorite pdf. This really is for all those who state there was not a really worth looking at. I realized this book from my dad and i encouraged this pdf to understand.

(Katlynn Haag)

CHARITY WITH CHOICE

Emerald Publishing Group. Hardcover. Book Condition: New. Hardcover. 150 pages. Dimensions: 9.1in. x 6.0in. x 1.0in. Four years ago Research in Experimental Economics published experimental evidence on fundraising and charitable contributions. This volume returns to the intrigue with philanthropy. Employing a mixture of laboratory and field experiments as well as theoretical research we present this new volume, Charity with Choice. New waves of experiments are taking advantage of well calibrated environments established by past efforts to add new features to experiments such as endogeneity and self-selection. Adventurous new research programs are popping up and some of them are captured here in this volume. Among the major themes in which the tools of choice, endogeneity, and self-selection are employed are: What increases or decreases charitable activity and How do organizational and managerial issues affect the performance of non-profit organizations This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
